1, 5, 11 and 19

Prior art documents discussed:

Art of record

Part II.

SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

See Continuation Sheet

Part III.

It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
 It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Called 4/7/06 with initial proposed Examiner's amendment to amend claims 1 and 11 over the prior art of Larson and Donnellan. Alternative language was agreed upon for claim 1 and it was agreed that claim 5 would be rewritten to be allowable, as indicated in the previous Office action. Claim 19 was also agreed to as being allowable over the art of record. It was also indicated by the Examiner that the Declaration under 37 CFR 1.131 was effective in overcoming the rejection of claims based upon Chang..
